axis360

Getting Started with the Axis 360 **Mobile App**

Axis 360 is available on these tablets and smartphone devices:

- **iOS** - iPhone®, iPad®, and iPod touch®
- **Android™** - Including Nook® tablets and Kobo™ tablets
- **Kindle Fire, Fire HD/HDX** *Visit the App Zone for instructions*

Enjoy ebooks and audiobooks from your local library with the Axis 360 mobile app! The Axis 360 app links your device to the library's Axis 360 collection and lets you download ebooks and audiobooks on the go.

INSTALL | Install the free Axis 360 app by visiting the Apple App Store℠ or Google Play™ store and search for Axis 360.

LOGIN | Once downloaded, find your library by location or library name. Enter your Library ID (or barcode) and PIN (if applicable). *If you do not know your Library ID and/or PIN, ask your librarian for assistance.*

BROWSE | The **My Library**, **Browse** and search functions make exploring your library's digital collection easy. **My Library** displays the collection's featured titles, **Browse** allows you to explore by category and the search functionality displays titles based on keywords you have entered.

The e and 🎧 icons displayed in the top right corner of each title indicate if it is an ebook or digital audiobook. When these icons appear in grey, they are not presently available for checkout, but can be placed on hold.

CHECKOUT AND READ | Once you've selected an ebook or digital audiobook, tap the **Checkout** button to borrow the item. Once the download is complete, your title will automatically open and you may begin reading immediately. **My Stuff** contains your **Checked Out**, **Wish List** and **On Hold** titles.

EARLY RETURN | Checked-out items will automatically return at the end of the loan period. However, if you wish to return an item early, go to your **Checked Out** items under the **My Stuff** tab and either:

– Tap the title you wish to return and select **Return**.
OR
– **ON AN APPLE DEVICE**: From the **Checked Out** list swipe left on the title you wish to return. A **Return** button will appear. Simply tap the button.

– **ON AN ANDROID DEVICE**: From the **Checked Out** list, tap the menu button near the title and a **Return** button will appear. Simply tap the button.
