South Korea is a small Asian country, but ranks significantly in U.S. history. What do we really know of this ancient culture besides political saber rattling, last year’s Winter Olympics, and exports proving it to be an economic powerhouse with a Cinderella story? Travel through Seoul, “The Miracle on the Han”, and other highlights around the peninsula with Mariya Fogarasi, who spent four years on an American army post and had the opportunity to pass between two different worlds and cultures brought together by fate.

Mariya Fogarasi has spent most of her life overseas and gives four different presentations highlighting the places where she lived and traveled. After living in Germany, Hungary, Bulgaria, Canada and South Korea for a total of 40 years, she returned to her native Michigan in 2016.
