#### **CONSENT AGENDA**

## **CORRECTION/ADDITIONS TO AGENDA**

## 븆 READING OF MINUTES FROM DECEMBER 19, 2024 HYBRID ANNUAL BOARD MEETING

- Clarification questions from Judy Wismont (not necessarily corrections or additions to the Meeting Minutes)
  - Add to Agenda for today's January meeting, add under New and Ongoing Board Issues: Discuss the type of meeting that is required to allow the board to discuss the Directors position and expectations
  - Clarification of minutes: Every time an acronym is used it should be defined the first time it is written in the minutes: i.e. ESTA (Earned Sick Time Act)
  - o As pertaining to the Bookkeepers Report
    - Budget vs Actual for 2024- Form does not show an item budgeted for sick days & AOG. Is it incorporated in another line item? Answer: Line items for Vacation and Personal/Sick are budgeted together. New "look" to budget line items for "Employee Paid Time Off" was to make our General Ledger in line with Paylocity Check Stub reports.
    - Regarding "Excess Revenue Allocation: GL 997.0 and GL 998.4". Why is there such a dramatic drop from 2022 of \$234,00 to 2023 \$103,782 to 2024 \$58,331? The answer is money has been invested into CDs and is not just recorded in the General Fund. We used to call it Fund Equity, but the Auditor says it must be labeled this way.

## PRESENTATION OF BILLS:
