We're unearthing our biggest rewards yet for this summer's reading stars. Five rare discoveries.

Five top excavators. Infinite bragging rights.

Fill out your form online or in-person at the library and select which prize drawing you'd like to enter. All prizes are listed on both the online and paper entry forms.

Got multiple reviews?

You can bank them all on one big prize or cast a wider net by entering different drawings! There is, however, a limit of 5 total entries per week. All adult and teen books (print and electronic) and adult and teen audiobooks are eligible for submission.

If no prize is selected on the form, the submission will be entered for the Fire Max Tablet.

All prizes must be picked up in-person at the library within 14 days of notification unless other arrangements are made. No prizes will be shipped. There will be a second drawing for any prizes unclaimed after 14 days.
